The Patricia Seybold Group is a small, collegial firm that provides customized consulting, publishes strategic Information Technology research weekly and monthly, and holds executive level workshops. We have an immediate opening for an experienced Freelance writer. The Company is located in Boston's North End waterfront and is accessible via public transportation. We are an Equal Opportunity Employer.

Research areas encompass information technology solutions that improve customer experience, making it easy for customers to do business; e.g. customer analytics, cross-channel customer experience, portal deployment, customer service or customer self-service. You will:

- Produce in depth analysis reports (15-30 pages)
- Manage a research agenda, and suggest topics for reports in your research area

We prefer people who have helped organizations implement software solutions.

Please submit a sample of your analytic writing with your resume. Thank you!
